**Box: Amendment**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Prior to examination on the merits, please amend the subject patent application as follows:

In the Specification:

The following is a clean version of replacement paragraphs for the specification including amendments thereto. A version of the replacement paragraphs with markings showing the changes made is set forth in an appendix submitted herewith.

Replace the paragraph beginning on page 17, line 6 and ending on page 17, line 12 with the following paragraph:

a1

-- It is preferred that the layer 21 cover each crack 18 in its entirety or substantially

in its entirety. Fig. 2 illustrates the cracks 18 in their entireties covered by layer 21. In
